Summary of Actions, Activity and Tasks Assigned

Group: At this meeting, we started by taking names, phone numbers, and email addresses down to contact each other. We then brainstormed ideas for our team constitution. We decided to meet each Monday at 6 PM in front of Sherrod Library. We looked through the list of paper topics and chose "Internet Law" for the topic of our paper. We brainstormed ideas for subtopics within the paper, which may include privacy laws and piracy.
