

Team Constitution

- Attendance - Meet in the front of Sherrod Library at 6:00 PM on Monday. If for any reason a member cannot attend a meeting, call another member who is attending and notify them of your absence. If member is not present by 6:15 PM and another member has not been notified, an absence will be counted against him and a grade of zero (0) will be recorded for that meeting. A total of one (1) meeting can be missed if the member has at least been leader or recorder and there is at least one more week left to fulfill the other position, and does not conflict with any other member's chance for a position.
- Work Ethic - If a member fails to do his part of the work, then a grade of zero (0) will be recorded for that report. If a member does not want to do the work, it would be nice to let another member know so that the work can be done, but a grade of zero (0) is still recorded.
- General - Email all work to other members when finished so every other member can revise and edit.

Be respectful of other members and other's ideas.

By signing, you agree to the above constitution.
