Logical flow

yes

Conclusions/wrap-up

Answered questions / deferred to follow-up

yes

Presentation Style:

Lecture copies

no

REVIEWER NAME: _____

Introduced self, topic

yes

Interacted with audience

yes; Questions "come on" was good levity

Receptive to questions

yes

Interesting, engaged audience

Timely (~:20)

19:00 excellent

An area of strength in the presentation (style or content):

introduced topic + told us what you were going to tell us.
very nice.

An area of improvement in the presentation (style or content):

nervous. you know the material, no need to be nervous.
